Re: Registration Fees

This is to advise that the Authority has since August 2014 been examining the registration fees currently in place and it was established that these have been in existence since 1996.

As such, after careful and lengthy deliberations the Board agreed at its meeting held on May 19, 2015 to revise the list of fees applicable to any form of registration at the Authority.

Attached you will find a list of the revised fees which will become **effective from August 01, 2015.**

Please be guided accordingly,

David Loregnard
Secretary.
