 RE: ARCI MODEL RULES OF RACING VERSION 11 AND THERAPEUTIC
 MEDICATION LISTING VERSION 4.2.1

Reference is made to Rule 102 of the TT Rules of Racing:

Medication and prohibited substances	<p>102. Upon a finding of a violation of these medications and prohibited substances rules, the Authority shall consider the classification level of the violation as listed at the time of the violation by the Uniform Classification Guidelines of Foreign Substances as published from time to time and subject to these rules, impose penalties and disciplinary measures consistent with the recommendations contained therein.</p> <p>Provided, however, that in the event a majority of the Authority determine that mitigating circumstances require imposition of a lesser penalty they may impose the lesser penalty. In the event of the Authority wishing to impose a greater penalty or a penalty in excess of the authority granted them in the Schedule, then, and in such event, they may impose the maximum penalty authorized under the Rules.</p> <p>(A) Uniform classification Guidelines of Foreign Substances The following outline describes the types of substances as placed in each category. This list shall be prominently posted in the offices of the Industry Veterinarian, the Authority, and on racecourse premises.</p> <p><i>Notes Regarding Classification Guidelines:</i></p>
--------------------------------------	---

	<ul style="list-style-type: none"> • Where the use of a drug is specifically permitted by a jurisdiction, then the jurisdiction's rule supersedes these penalty guidelines. • Regulators should be aware that a laboratory report may identify a drug only by the name of its metabolite. The metabolite might not be listed here, but the parent compound may be. • These classes of drugs are intended only as guidelines and should be employed only to assist persons adjudicating facts and opinions in understanding the seriousness of the alleged offenses. • The facts of each case are different and there may be mitigating circumstances that should be considered. • These drug classifications will be reviewed periodically. New drugs will be added or some drugs may be reclassified when appropriate. • Racing Commissioners International (RCI) and/or the Racing Medication and Testing Consortium (RMTC) should be consulted for found substances or drugs not included in these guidelines and treated as Class 1 violations warranting a Class A penalty unless otherwise advised.
