**CONDITIONS OF ENTRY INTO THE
TRINIDAD AND TOBAGO STUD BOOK**

For a horse to be eligible to be recorded in the Trinidad and Tobago Stud Book, the qualification required in paragraph 1 of this section must be satisfied, and the conditions and procedures contained in paragraphs 2 to 6 of this section must be followed.

1. Qualification

A. The horse must be the product of a mating between a sire and dam both of which are registered in a Stud Book approved by the International Stud Book Committee, or must trace in all lines of its pedigree to horses so registered.

or

B. The horse must be proved satisfactorily to have eight recorded crosses consecutively with horses in the category described in A above, including the cross of which it is the progeny.

C. Notwithstanding that a horse may qualify under A above, the Authority may have the right to refuse to record it in its Stud Book if the horse cannot be proved to have eight recorded crosses consecutively (including the cross of which it is the progeny) with horses in the category described in A or B above. Such refusal shall not be effective unless it is confirmed by the unanimous decision of the International Stud Book Committee.

2. Service to produce an eligible foal

2.1 A foal is not eligible to be recorded in a Stud Book unless:

a) It is the product of a natural service or covering which is the physical mounting of a mare by a stallion. This natural service can, if the practice is authorized by the Authority of a country, include the immediate reinforcement of the stallion's service or cover by a portion of the ejaculate produced by that stallion during that service of that same mare.

b) A natural gestation took place in and delivery was from the body of the mare in which the foal was conceived.

- 2.2 The use of artificial insemination is absolutely forbidden and no foal conceived by artificial insemination can be recorded in a Stud Book.

3. Identity documents for broodmares and stallions.

Identity documents should be issued by the Stud Book/ Recognised Turf Authority of a country in respect of each broodmare and stallion recorded in that country. The documents should identify the mare or stallion by giving at least the descriptive information on each horse.

4. Covering

Particulars of the covering of a mare by a stallion must be certified by the stallion proprietor or his duly appointed authorized agent on an official form (a covering certificate) certifying to the Authority and to the mare owner.

- a) The first and last dates on which the mare was covered.
- b) That the country of the mare was verified against her identity documents (alternatively, verification of the mare's identity may be undertaken by the Authority itself).
- c) That the service was natural in accordance with paragraph 2.1 of this section, and that artificial insemination was not used.

5. Recording of foals.

- 5.1 Particulars of the birth of a foal must be certified by the owner of the mare or his duly appointed authorized agent to the Authority on official forms, showing:-
- a) The name of the mare, which produced the foal,
 - b) The name of the covering stallion responsible for the foal,
 - c) The date of birth, colour and sex of the foal,
 - d) A written and diagrammatical description of the foal, which should be taken before weaning by a person authorized by the Authority.
- 5.2 All foals recorded in a year by the Authority should be published annually.

6. Blood typing/DNA

- 6.1. In addition to the documentary evidence of a foal's parentage (as required by paragraphs 3,4, and 5 of this section) the Authority may require further evidence by the use of parentage testing based on blood typing or DNA.

- 6.2. If the Authority makes use of blood /DNA it must ensure:
 - a) That the blood type/DNA is only undertaken by a laboratory appointed by the Authority for the purpose,
 - b) That the laboratory is affiliated to the International Society for Animal Genetics (I.S.A.G.) and participates in the comparison tests organized by that Society,
 - c) That all blood type/DNA details of all horses are kept confidential to the Authority and are not divulged except to another approved Stud Book Authority,
 - d) That the routine blood typing/DNA for parentage, qualification should only be applied to new foal crops.

2. CONDITIONS FOR ENTRY INTO THE TRINIDAD AND TOBAGO STUD BOOK

In order for a horse to be eligible for inclusion in the Trinidad and Tobago Stud Book it must trace in all removes of its pedigree to:

- (a) **Horses entered in the General Stud Book or to horses whose ancestors were duly accepted by the Trinidad Turf Club for registration in accordance with the Rules of Racing, and in addition trace in all removes of their pedigree to horses entered in the General Stud Book, or**

- (b) Horses which by evidence in writing from the proprietors of the General Stud Book are eligible for entry in the General Stud Book, or
- (c) Horses entered in the Official Stud Book of such other countries recognised by the Authority and the International Stud Book Committee.

3. STALLIONS

(a) Registration

Every stallion must be registered by the owner or authorized agent on the Stallion's entry to the Stud. (See Form 'A').

Every stallion shall be deemed to have entered Stud on the date of registration or on the date of the first covering of a mare.

(b) Fees and Penalties

Registration of stallion up to 15th July in the year of first entry to the Stud – No fee.

Failure by the owner or authorized agent to comply as stated within the time as specified may result in the stallion being not eligible for registration and therefore not eligible for inclusion in the Trinidad and Tobago Stud Book.

If registered after 15th July and before 30th September in the year of first going to stud, a penalty of \$100.00 is payable.

(c) Reports

The owner or authorized agent of every stallion must obtain on application to the Authority, a Covering Certificate Book for each stallion for each year, and report thereon all mares bred to the stallion during the year.

The detachable perforated part of the Covering Certificate Book signed by the owner or authorized agent of the stallion, should be removed and handed to the owner or authorized agent of the mare for his signature, and later transmission to the Authority. This completed Certificate Book with the counterfoils only, must be returned to the Authority on or before 30th September.

If a mare is covered by more than one stallion during the breeding season the Certificates of Covering of Mares giving the first and last dates of service by all stallions must be furnished in the respective covering

certificate books. If a mare is covered by more than one stallion during the same oestrus period, the foal is not eligible for registration and entry in the Stud Book.

When a stallion is pasture bred to a mare the stallion owner or authorized agent is required to furnish a sworn affidavit to the Authority certifying that there was no other stallion in the vicinity which could have covered the mare, and giving the date they were separated. This information must be furnished when the covering certificate book is forwarded to the Authority, which must be on or before 30th September.

(d) Fees and Penalties

Failure by the owner or authorised agent to furnish the stallion reports as required by the Authority on or before 30th September will result in the payment of fees as stated hereunder if submitted between:-

1 st October to 31 st October	-	\$100.00
1 st November to 31 st December	-	\$200.00

Failure by the owner or authorized agent to produce the Stallion Covering Book in respect of a year will result in non issue to him of such book for that stallion for the following year.

N.B. In exceptional circumstances of which the Authority will be the sole judge a duplicate Stallion Covering Book will be made available on payment of the prescribed fee.

The details for insertion in the duplicate of the Stallion Covering Book will be made available on payment of the prescribed fee. The details for insertion in the duplicate of the Stallion Covering Book should be extracted from the Stud Record Book, maintained by the farm at which it stood.

4. MARES

(a) Registration

Every mare must be registered, on Form 'A' by the owner or authorized agent when it goes to Stud.

For the purpose of registration the breeder is the owner of the mare at the time of foaling and when held under lease, bred in shares or in partnership only such lease or partnership which is filed with the Authority will be recognized for such purpose.

b) Fees and Penalties

Registration of mares up to 15th July in the year of first going to Stud. No fee.

Failure by the owner or authorized agent to comply as stated within the time as specified above will result in the mare being not eligible for registration and shall not be included in the Stud Book.

If registered after 15th July and before 30th September in the year of first going to stud, a penalty of \$100.00 is payable.

N.B. In exceptional circumstances of which the Authority will be the sole judge a mare may be accepted for registration, one year after going to Stud on payment of the fee of \$500.00

c) Reports

The Breeding status of each mare must be reported by the Owner or authorized agent on Form 'B' which must be completed in its entirety and submitted before 30th September, in the year of foaling. Attached to this form must be the relevant Certificate of Covering of Mares for all mares entered thereon.

If a mare has no living foal the report must state whether barren, slipped foal, had a dead foal, was not covered in the previous year or any other reason.

If a mare was bred to two or more stallions the names of all stallions must be given as the stallion of the resulting foal.

d) Fees and Penalties

Failure by the owner or authorized agent to furnish these reports as required by the Authority within the time as specified above will result in the payment of penalties as stated hereunder:-

- (i) If submitted between 1st October to 31st December of the year of birth, \$100.00
- (ii) If submitted between 1st January to 31st October of the following year \$200.00

5. FOALS

(a) Registration

Every foal born in this country must be inspected by a veterinary officer who is required to complete and sign the application for Registration Examination form; by November 15. It is also required that samples of hair follicles be taken, in order to determine parentage verification of each foal using the DNA mode of identification which must be registered by the owner or the authorised agent not later than November 15, in the year of the foal's birth.

A DNA kit will be sent to the owner of the foal specified on the Mare Return lodged with the Authority, which should be completed and returned to the Authority within 30 days on receipt of same.

Within a further 30 days on receipt of the DNA sample of the foal, the Authority shall have same sent to the laboratory, should the sample sent prove to be inconclusive for parentage verification, the process must be repeated and a new sample taken. **(Amended on 15th September, 2000)**

In the case of twin foals each foal must be registered separately and the fee for each must be paid. If one twin dies and the other lives and is registered the fact that is a twin must be noted on the form of application for registration.

A foal is not eligible for registration unless it is begotten by natural service by a part of the ejaculate produced by the stallion during the immediate preceding cover.

Certificate of Registration of foals will not be issued by the Authority until both the covering certificate book of counterfoils and the completed certificates of covering of mares are filed with the Authority. The dates and signatures on the two documents must correspond.

No application for registration of a foal will be accepted unless the return of mares form together with the prescribed covering certificate provided for under these Rules have been received by the Authority.

b) Fees and Penalties

The fee for the First Registration is \$75.00 which amount must be paid on or before 15th November in the year of the foal's birth.

After November 15, in the year of birth, increased fees will be imposed by the Authority as follows:-

- i) From November 16 to December 31, in the year of foals' birth - \$200.00
- ii) From January 1, to December 31 of its yearling year – \$400.00
- iii) From January 1 to June 30 of its 2 year old year - \$500.00

A foal is not eligible for registration after July 1, in the year it becomes 2 years old, unless with special permission of the Authority.

All horses bred in Trinidad and Tobago shall be photographed between the period February 1, to March 15 in the year in which it becomes two years old prior to being eligible for racing, as follows;

- i) Head/Face
- ii) Right side of Body
- iii) Left side of Body
- iv) Hind Quarters

Two sets of four (4) colour photographs (Post card size 3-1/2" x 5") shall be submitted to the Registry Office in respect of each two year old.

These photographs must be certified and dated by the Owner, Trainer or Authorised Agent and lodged with the Registry Department of the Authority on or before 31st March.

No two year old will be eligible for racing unless this requirement is fulfilled.

6. IMPORTED HORSES
(From outside West Indies)

Registration

No application for registration will be accepted for any horse bred and/or imported from outside the West Indies, until such horse has been imported into Trinidad and Tobago.

The requirements to register a horse born outside of the West Indies are:

- i) The Original Stud Book/Export Certificates issued by the Stud Book Authority of the country in which the horse was foaled.
- ii) A Veterinary Officer's Certificate of identification after inspection on arrival in the country by a Veterinarian approved by the Authority, on Form D.
- iii) Certificate from Stud Book Authority indicating the horse has been blood-typed or DNA typed. If not blood-typed/DNA abroad, such test to be done locally by a veterinarian appointed by the Trinidad & Tobago Racing Authority.

- v) Owners of horses must, prior to being eligible to race, produce a Certificate of its detailed racing performances; duly certified by the Turf Authority in the Country from which the horse has been exported.

The issue of a Certificate of Registration is dependent on compliance with each of the requirements as stated above.

Fees and Penalties

A registration fee to be determined as follows:-

If paid within three months of arrival - \$100.00 if blood-typed/DNA abroad - \$200.00 inclusive of blood-type/DNA locally.

If paid after three months of arrival and before the expiration of six months - \$300.00 if blood-typed/DNA abroad, \$400.00 inclusive of blood/DNA test locally.

If paid after six months and up to the first anniversary of the arrival of the horse in the country - \$500.00 if blood-typed/DNA aboard; \$700.00 inclusive of blood test/DNA locally

An imported horse shall not be registered after it has been in the country more than one year; unless with special permission of the Authority.

7. IMPORTED HORSES
(Bred in or imported from the West Indies)

Registration

No application for registration will be accepted for any horse which is bred in or imported from any country in which there is no Turf Authority or Stud Book recognised by this Authority.

Applications of registration will be accepted for horses which are bred in or have been imported from a country in which there is a Turf Authority or Stud Book recognised by this Authority, and are based in said countries.

The requirements to register a horse which was bred in or imported into Trinidad & Tobago from countries as per paragraph two above are:-

- i) A Certificate of Registration/Stud Book Certificate issued by the Turf Authority of country of origin or where based.
- ii) A Certificate of racing performance for the entire career of the horse and if imported from outside of country, then also from the country in which it originally raced.
- iii) Initial registration fee - \$50.00

On arrival in Trinidad and Tobago, and prior to actually racing, the following documents must be submitted to the Registry Office of the Authority.

- i) Certificate of examination by an approved Veterinarian.
- ii) Certificate from Turf Authority indicating horse has been blood-typed/DNA typed. Test to be done locally by a Vet appointed by the Trinidad & Tobago Racing Authority, if not done abroad.
- iii) Two sets of four (4) Colour photographs of the horse (Postcard size 3/12 x 5) taken as follows:-
 - i) Head/Face
 - ii) Right side of body
 - iii) Left side of body
 - iv) Hind Quarters
- iv) Animal landing permit issued by the Ministry of Agriculture.
- v) Updated Racing Performance Certificate indicating any starts had **since original application**. This certificate must however be lodged by the last working day prior to horse actually taking entry to race; failing which no entry for racing will be accepted for the horse.

The issue of a Certificate of Registration is dependant on compliance with each of the requirements as stated above.

Fees and Penalties

A registration fee to be determined as follows:-

If paid within three months of arrival - \$100.00. If blood-typed/DNA abroad; \$200.00 inclusive of blood test/DNA locally.

If paid after three months of arrival and before the expiration of six months - \$300.00. If blood-typed/DNA abroad \$400.00 inclusive of blood test/DNA locally.

An imported horse shall not be registered after it has been in the country more than one year; unless with special permission of the Authority.
