CONDITIONS FOR ENTRY INTO THE TRINIDAD AND TOBAGO STUD BOOK

For a horse to be eligible to be recorded in the Trinidad and Tobago Stud Book, the qualification required in paragraph 1 of this section must be satisfied, and the conditions and procedures contained in paragraphs 2 to 6 of this section must be followed.

1. Qualification

A. The horse must be the product of a mating between a sire and dam both of which are registered in a Stud Book approved by the International Stud Book Committee, or must trace in all lines of its pedigree to horses so registered.

OR

B. The horse must be proved satisfactorily to have eight recorded crosses consecutively with horses in the category described in A above, including the cross of which it is the progeny.

C. Notwithstanding that a horse may qualify under A above, the Authority may have the right to refuse to record it in its Stud Book if the horse cannot be proved to have eight recorded crosses consecutively (including the cross of which it is the progeny) with horses in the category described in A or B above. Such refusal shall not be effective unless it is confirmed by the unanimous decision of the International Stud Book Committee.

2. Service to produce an eligible foal

2.1 A foal is not eligible to be recorded in a Stud Book unless:

a) It is the product of a natural service or covering which is the physical mounting of a mare by a stallion. This natural service can, if the practice is authorized by the Authority of a country, include the immediate reinforcement of the stallion's service or cover by a portion of the ejaculate produced by that stallion during that service of that same mare.

b) A natural gestation took place in and delivery was from the body of the mare in which the foal was conceived.

2.2 The use of artificial insemination is absolutely forbidden and no foal conceived by artificial insemination can be recorded in a Stud Book.

3. Identity documents for broodmares and stallions

Identity documents should be issued by the Stud Book/Recognized Turf Authority of a country in respect of each broodmare and stallion recorded in that country. The documents should identify the mare or stallion by giving at least the descriptive information on each horse.

4. Covering

Particulars of the covering of a mare by a stallion must be certified by the stallion proprietor or his duly appointed authorized agent on an official form (a covering certificate) certifying to the Authority and to the mare owner.

- a) The first and last dates on which the mare was covered.
- b) That the country of the mare was verified against her identity documents (alternatively, verification of the mare's identity may be undertaken by the Authority itself).
- c) That the service was natural in accordance with paragraph 2.1 of this section, and that artificial insemination was not used.

5. Recording of foals

5.1 Particulars of the birth of a foal must be certified by the owner of the mare or his duly appointed authorized agent to the Authority on official forms, showing:-

- a) The name of the mare, which produced the foal.
- b) The name of the covering stallion responsible for the foal.
- c) The date of birth, colour and sex of the foal.
- d) A written and diagrammatical description of the foal, which should be taken before weaning by a person authorized by the Authority.

5.2 All foals recorded in a year by the Authority should be published annually.

6. Blood Typing/DNA – Parentage Verification

6.1. In addition to the documentary evidence of a foal's parentage (as required by paragraphs 3, 4 and 5 of this section) the Authority requires further evidence by the use of parentage testing based on DNA.

6.2. If the Authority makes use of DNA it must ensure:

- a) That the DNA is only undertaken by a laboratory appointed by the Authority for the purpose.
- b) That the laboratory is affiliated to the International Society for Animal Genetics (I.S.A.G.) and participates in the comparison tests organized by that Society.
- c) That all DNA details of all horses are kept confidential to the Authority and are not divulged except to another approved Stud Book Authority.
- d) That the routine DNA for parentage, qualification should be applied to new foal crops and any other cases deemed necessary by the Authority.

2. CONDITIONS FOR ENTRY INTO THE TRINIDAD AND TOBAGO STUD BOOK

In order for a horse to be eligible for inclusion in the Trinidad and Tobago Stud Book it must trace in all removes of its pedigree to:

- (a) Horses entered in the General Stud Book or to horses whose ancestors were duly accepted by the Trinidad and Tobago Racing Authority for registration in accordance with the Rules of Racing, and in addition trace in all removes of their pedigree to horses entered in the General Stud Book, or
- (b) Horses which by evidence in writing from the proprietors of the General Stud Book are eligible for entry in the General Stud Book, or
- (c) Horse entered in the Official Stud Book of such other countries recognised by the Authority and the International Stud Book Committee.

3. STALLIONS

a) Registration

Every stallion must be registered by the owner or authorized agent on the Stallion's entry to the Stud. (See Form 'A').

Every stallion shall be deemed to have entered Stud on the date of registration or on the date of the first covering of a mare.

b) Fees and Penalties

Registration of stallion up to 15th July in the year of first entry to the Stud – No fee.

Failure by the owner or authorized agent to comply as stated within the time as specified may result in the stallion being not eligible for registration and therefore not eligible for inclusion in the Trinidad and Tobago Stud Book.

If registered after 15th July and before 30th September in the year of first going to stud, a penalty of \$100.00 is payable.

c) **Reports**

The owner or authorized agent of every stallion must obtain on application to the Authority, a Covering Certificate Book for each stallion for each year, and report thereon all mares bred to the stallion during the year.

The detachable perforated part of the Covering Certificate Book signed by the owner or authorized agent of the stallion, should be removed and handed to the owner or authorized agent of the mare for his signature, and later transmission to the Authority. This completed Certificate Book completed in triplicate for each Mare covered, must be returned to the Authority on or before 30th September.

If a mare is covered by more than one stallion during the breeding season the Certificates of Covering of Mares giving the first and last dates of service by all stallions must be furnished in the respective covering certificate books. If a mare is covered by more than one stallion during the same oestrus period, the foal is not eligible for registration and entry in the Stud Book.

When a stallion is pasture bred to a mare the stallion owner or authorized agent is required to furnish a sworn affidavit to the Authority certifying that there was no other stallion in the vicinity which could have covered the mare, and giving the date they were separated. This information must be furnished when the covering certificate book is forwarded to the Authority, which must be on or before 30th September.

d) **Fees and Penalties**

Failure by the owner or authorized agent to furnish the stallion reports as required by the Authority on or before 30th September will result in the payment of fees as stated hereunder if submitted between:-

1 st October to 31 st October	-	\$100.00	1 st
November to 31 st December	-	\$200.00	

Failure by the owner or authorized agent to produce the Stallion Covering Book in respect of a year will result in non-issue to him of such book for that stallion for the following year.

N.B. In exceptional circumstances of which the Authority will be the sole judge a duplicate Stallion Covering Book will be made available on payment of the prescribed fee.

The details for insertion in the duplicate of the Stallion Covering Book will be made available on payment of the prescribed fee. The details for insertion in the duplicate of the Stallion Covering Book should be extracted from the Stud Record Book, maintained by the farm at which it stood.

4. MARES

a) Registration

Every mare must be registered, on Form 'A' by the owner or authorized agent when it goes to stud.

For the purpose of registration the breeder is the owner of the mare at the time of foaling and when held under lease, bred in shares or in partnership only such lease or partnership which is registered with the Authority will be recognized for such purpose.

b) Fees and Penalties

Registration of mares up to 15th July in the year of first going to stud. No fee.

Failure by the owner or authorized agent to comply as stated within the time as specified above will result in the mare being not eligible for registration and shall not be included in the Stud Book.

If registered after 15th July and before 30th September in the year of first going to stud, a penalty of \$100.00 is payable.

N.B. In exceptional circumstances of which the Authority will be the sole judge a mare may be accepted for registration, one year after going to Stud on payment of the fee of \$575.00 (vat inclusive).

c) Reports

The Breeding status of each mare must be reported by the Owner or authorized agent on the return of Mares Form which must be completed in its entirety and submitted before 30th September, in the year of foaling. Attached to this form must be the relevant Certificate of Covering of Mares for all mares entered thereon.

If a mare has no living foal the report must state whether barren, slipped foal, had a dead foal, was not covered in the previous year or any other reason.

If a mare was bred to two or more stallions the names of all stallions must be given as the stallion of the resulting foal.

d) Fees and Penalties

Failure by the owner or authorized agent to furnish these reports as required by the Authority within the time as specified above will result in the payment of penalties as stated hereunder:-

- i. If submitted between 1st October to 31st December of the year of birth, \$100.00
- ii. If submitted between 1st January to 31st October of the following year \$200.00

5. FOALS

a) Registration

Every foal born in this country must be inspected by a veterinary officer who is required to complete and sign the application for Registration Examination form; by November 15 in its year of birth. It is also required that samples of hair follicles be taken, in order to determine parentage verification of each foal using the DNA mode of identification which must be registered by the owner or the authorised agent not later than November 15, in the year of the foal's birth.

A DNA kit will be sent to the owner of the foal specified on the Mare Return lodged with the Authority, which should be completed and returned to the Authority within 30 days on receipt of same.

Within a further 30 days on receipt of the DNA sample of the foal, the Authority shall have same sent to the laboratory, should the sample sent prove to be inconclusive for parentage verification, the process must be repeated and a new sample taken. (Amended on 15th September, 2000)

In the case of twin foals each foal must be registered separately and the fee for each must be paid. If one twin dies and the other lives and is registered the fact that it is a twin must be noted on the form of application for registration.

A foal is not eligible for registration unless it is begotten by natural service by a part of the ejaculate produced by the stallion during the immediate preceding cover.

Certificate of Registration of foals will not be issued by the Authority until both the covering certificate book of counterfoils and the completed certificates of covering of mares are filed with the Authority. The dates and signatures on the two documents must correspond.

No application for registration of a foal will be accepted unless the return of mares form together with the prescribed covering certificate provided for under these Rules have been received by the Authority.

b) Fees and Penalties

The fee for the First Registration is \$86.25 (vat inclusive) which amount must be paid on or before 15th November in the year of the foal's birth.

After November 15, in the year of birth, increased fees will be imposed by the Authority as follows:-

- i. From November 16 to December 31, in the year of foals' birth - \$230.00 (vat inclusive)
- ii. From January 1, to December 31 of its yearling year – \$460.00 (vat inclusive)
- iii. From January 1 to June 30 of its 2 year old year - \$575.00 (vat inclusive)

A foal is not eligible for registration after July 1, in the year it becomes 2 years old, unless with special permission of the Authority.

All horses bred in Trinidad and Tobago shall be photographed between the period February 1, to March 15 in the year in which it becomes two years old prior to being eligible for racing, as follows;

- i. Head/Face
- ii. Right side of Body
- iii. Left side of Body
- iv. Hind Quarters

Two sets of four (4) colour photographs (Post card size 3-1/2" x 5") shall be submitted to the Registry Office in respect of each two year old.

These photographs must be certified and dated by the Owner, Trainer or Authorised Agent and lodged with the Registry Department of the Authority on or before 31st March.

No two year old will be eligible for racing unless this requirement is fulfilled.

6. IMPORTED HORSES (From outside West Indies)

Registration

No application for registration will be accepted for any horse which is bred in or imported from any country in which there is no Turf Authority or Stud Book recognised by this Authority

The requirements to register a horse born outside of the West Indies are:

- i) The Original Stud Book/Export Certificates issued by the Stud Book Authority of the country in which the horse was foaled.
- ii) A Veterinary Officer's Certificate of identification after inspection on arrival in the country by a Veterinarian approved by the Authority, on Form D.
- iii) Certificate from Stud Book Authority indicating the horse has been parentage verified. If not blood-typed/DNA abroad, such test to be done locally by a veterinarian appointed by the Trinidad & Tobago Racing Authority.
- iv) Two sets of four (4) colour photographs of the horse - (Postcard size – 3 1/2 x 5) taken as follows:-

 - ii. Right side of Body
 - iii. Left side of Body
 - iv. Hind Quarters
- v) Owners of horses must, prior to being eligible to race, produce a Certificate of its detailed racing performances; duly certified by the Turf Authority in the Country from which the horse has been exported. The issue of a Certificate of Registration is dependent on compliance with each of the requirements as stated above.

Fees and Penalties

A registration fee to be determined as follows:-

- If paid within three months of arrival - \$115.00 (vat inclusive) if blood-typed/DNA abroad - \$200.00 vat inclusive if Blood-type/DNA locally.
- If paid after three months of arrival and before the expiration of six months - \$345.00 (vat inclusive) if blood- typed/DNA abroad, \$400.00 vat inclusive if blood/DNA test locally.
- If paid after six months and up to the first anniversary of the arrival of the horse in the country - \$575.00 (vat inclusive) if blood-typed/DNA abroad; \$700.00 vat inclusive of blood test/DNA locally

An imported horse shall not be registered after it has been in the country more than one year; unless with special permission of the Authority.

7. IMPORTED HORSES

(Bred in or imported from the West Indies)

a) Pre-Registration

No application for registration will be accepted for any horse which is bred in or imported from any country in which there is no Turf Authority or Stud Book recognised by this Authority.

Applications for registration will be accepted for horses which are bred in or have been imported from a country in which there is a Turf Authority or Stud Book recognised by this Authority, and are based in said countries. The requirements to register a horse which was bred in or imported into Trinidad & Tobago from countries as per paragraph two above are:-

- i) A Certificate of Registration/Stud Book Certificate issued by the Stud Book Authority of country of origin or where based.
- ii) A Certificate of racing performance for the entire career of the horse and if imported from outside of country, then also from the country in which it originally raced.
- iii) Initial registration fee - \$50.00

b) Registration

On arrival in Trinidad and Tobago, and prior to actually racing, the following documents must be submitted to the Registry Office of the Authority.

- i) Certificate of examination by an approved Veterinarian.
- ii) Certificate from Stud Book Authority indicating horse has been Parentage Verified. Test to be done locally by a Vet appointed by the Trinidad & Tobago Racing Authority, if not done abroad.
- iii) Two sets of four (4) Colour photographs of the horse (Postcard size 3/12 x 5) taken as follows:-
 - i. Head/Face
 - ii. Right side of Body
 - iii. Left side of Body
 - iv. Hind Quarters
- iv) Animal landing permit issued by the Ministry of Agriculture.
- v) Updated Racing Performance Certificate indicating any starts had **since original application**. This certificate must however be lodged by the last working day prior to horse actually taking entry to race; failing which no entry for racing will be accepted for the horse.

The issue of a Certificate of Registration is dependent on compliance with each of the requirements as stated above.

c) **Fees and Penalties**

A registration fee to be determined as follows:-

If paid within three months of arrival - \$115.00 (vat inclusive) if Parentage verified abroad - \$200.00 inclusive of Parentage verified locally.

- (c) Further, such horse shall receive booster injections for Equine Influenza and Equine Rhino pneumonitis every four (4) months; and Tetanus once annually, or within such time as the Trinidad and Tobago Racing Authority directs.
- (d) No horse born outside of Trinidad and Tobago will be allowed to enter any racecourse property unless it has been vaccinated against Equine Influenza in the country from which imported within thirty (30) days prior to the date of export or such time as the Trinidad and Tobago Racing Authority in an emergency shall decide.

iv. Entry to Racecourse Property:

- (a) No horse will be allowed to enter any racecourse property unless it has received inoculations in accordance with the above provision, or such time as the Trinidad and Tobago Racing Authority in an emergency shall decide, and that none of these inoculations have been given within the previous ten (10) days including the day of entry into racecourse property.
- (b) Having entered any racecourse paddock, horses shall receive booster inoculations at intervals not more than four (4) months apart; and every trainer is required to submit to the Trinidad and Tobago Racing Authority a certificate issued by the attending Veterinarian, certifying that the booster was given within seventy-two (72) hours of the administration of said booster inoculation. Failure to do so the horse is liable to be ejected from the said paddock.

v. Stallion and Mare at Stud

No Stud return from either a Stallion or Mare will be accepted by the Authority unless its vaccination regime and booster inoculation programme is in conformity with the rules.

HORSES NOT ELIGIBLE FOR ENTRY IN THE STUD BOOK

Registration and Reports

Notwithstanding the provisions of these Rules, the owner or authorized agent of every stallion and mare not eligible for entry in the Stud Book but whose progeny are intended to be registered with the Authority, shall register such stallion or mare with the Authority, and shall make all reports required for stallions and mares. Notwithstanding the fact that a foal may not be eligible for entry in the Stud Book, it shall be registered with the Authority.

Registration under these Rules will carry the same fees and penalties as provided for in the case of registration of horses which are eligible for entry in Stud Book.

10. CHANGES OF OWNERSHIPS PARTNERSHIPS AND LEASES

All changes of Ownerships, Partnerships and Leases shall be registered with the Authority, on payment of fees as prescribed in the Rules of Racing.

11. CERTIFICATES OF REGISTRATION IN RESPECT OF THE SALE OF FOALS BORN OR HORSES IMPORTED INTO TRINIDAD AND TOBAGO ON OR AFTER 01.01.00

When a horse is sold, the Certificate of Registration which was issued for the horse at the time of the Registration, must be delivered to the new owner free of charge at the time of purchase.

In the case of foals, which were sold prior to the Registration written notification must be furnished to the Authority to that effect.

The sale of a horse will not be recognised until the Registration certificate has been received from the previous owner and checked by the Authority.

The space for TRANSFERS included in the certificate of Registration should be filled out and duly signed by the former owner and new owner, giving name and address of the new owner and date of transfer and should be forwarded to the Authority for recording.

12. NAMES

- i) Names once claimed may be corrected without payment of a fee due to a misspelling only, if such correction is done not later than May 15, in the year the horse becomes 2 years old.
- ii) Name may be claimed without charge for any horse, if the name is claimed prior to 31st March in the year it becomes a two year old, after that date a penalty of \$50.00 will be payable.

Names may not be claimed by telephone. It is required that all names be claimed in writing for specific foals giving colour, sex, sire, dam and date of birth.

All claims for names must be signed by the owner or authorised agent. Names cannot be claimed for unregistered foals.

The name of a gelding which has been reported dead to the Authority may be duplicated 10 years after receipt of the said death report.

All names are subject to approval by the Authority. The decisions of the Authority to accept or reject any name shall be final in all cases.

Names not Eligible

The designations are used only for horses imported into Trinidad and Tobago from foreign countries, whose names are the same as names already in use.

NOTE: The use of the definite or indefinite article does not constitute a different name.

Changing of Names

Names once claimed may be changed for any horse upon payment of a fee of \$115.00 (vat inclusive), except that names **may not** be changed for any horse.

- (a) After the horse has started or
- (b) After the horse has been bred or
- (c) In case of an IMPORTED HORSE whose name has been registered by another recognised Turf Authority; except written permission has been given by such Authority.

13. RECEIPTS AND CERTIFICATES

All documents lodged with the Authority in compliance with the Rules will be acknowledged by the issue of a receipt. The production by the owner or authorized agent of a horse of the Receipt of payment of a fee or penalty as prescribed by these Rules will be considered as proof of compliance therewith.

Duplicates

A duplicate Registration Certificate or receipt will not be issued as long as the original is still in use. The requirements for duplicates:-

1. Fee \$50.00
2. An affidavit or Notarized statement as to the loss or destruction of the original certificate.

The statement must be made by the party (not necessarily the owner) who last had the original certificate or receipt and who lost or destroyed it. The statement should certify as to the circumstances of the loss and that all effort to recover or reclaim it were to no avail. If the original was lost in the mail than an Affidavit or Notarized statement to this effect must be made by the mailer and one of the non-receipt by the addressee.

If the original certificate is located after duplicate has been issued the original must be returned to the Authority.

Corrected

If a certificate of Registration does not accurately describe all the marking of the horse for which it was completed, application should be made for a corrected certificate.

Requirements for a corrected certificate.

- 1) Fee \$25.00
- 2) The return of the original certificate to the Authority

Altered

Any person who alters a Registration certificate or who wilfully gives false information in the registration of a horse shall be reported to the Authority for action under the Rules dealing with Corrupt Practices.

Export

When a horse is to be exported to another country, application must be made to the Authority on Form 'E'.

The requirements for an Export Certificate are:-

- 1) Production of the Certificate of Registration. (See Rule 11)
- 2) Completion of the application Form E.
- 3) If a broodmare in foal is to be exported, the name of the stallion to which she was bred must be furnished along with the Stallion Certificate signed by the stallion owner or authorised agent, giving the dates of covering.
- 4) A set of four (4) colour photographs of the horse taken as follows:- (Postcard size – 31/2 x 5)
 - i. Head/Face
 - ii. Right side of Body
 - iii. Left side of Body
 - iv. Hind Quarters

These photographs must be certified by the owner and/or Authorised Agent.

- 5) The fee for an Export Certificate is \$28.75 (vat inclusive).

Owners are advised that the Registry Office must be notified of the date on which a horse has been exported; failing which registration documents will not be forwarded to the Turf Authority of the country to which the horse has been exported.

14. TABULATED PEDIGREES

A certified tabulated pedigree showing five generations will be furnished upon payment of a fee of \$23.00 (vat inclusive).

15. REPORTS

a) Geldings

All horses gelded must be reported to the Authority, within ten days of the date of the operation giving the date of castration, which must be certified by the Veterinary Officer performing the operation. Failure to do so will result in the imposition of an automatic fine of \$100.00 on the trainer and any such horses in training will be debarred from racing until the matter is regularised.

b) Death

All deaths must be reported, giving date and cause of death. Certificate of Registration of horses, which are dead, must be returned to the Authority for cancellation. Registration fees shall not be refunded unless the foal dies, and death is reported prior to November 15, of the year of birth. Dead horses cannot be registered.

21. AGREEMENTS

- (i) All Stud Farms in Trinidad and Tobago shall be registered with the Trinidad and Tobago Racing Authority on payment of a registration fee of \$57.50 (vat inclusive).
- (ii) All agreements between stallion owners, and/or Stud Farm, and/or Owner of Horse shall be registered with the Registry Office on payment of a fee of \$23.00 (vat inclusive).
- (iii) No cognizance will be taken of any agreement not previously registered with the Authority, nor from any Stud Farm not registered with the Authority.
