NOTICE

TO: ALL STAKEHOLDERS
FROM: THE SECRETARY
DATE: APRIL 25th, 2023
RE: ARCI MODEL RULES OF RACING

This serves as a reminder that pursuant to **Rule 102** of the TT Rules of Racing:

Medication and prohibited substances –

“Upon a finding of a violation of these medications and prohibited substances rules, the Authority shall consider the classification level of the violation as listed at the time of the violation by the Uniform Classification Guidelines of Foreign Substances as published from time to time and subject to these rules, impose penalties and disciplinary measures consistent with the recommendations contained therein.”

The Authority wishes to draw your attention to the current versions of the ARCI Model Rules adopted by the TTRA:

- 1. Model Rules of Racing Version 12.0 — April 2023 update**
- 2. Uniform Classification Guidelines and Recommended Penalties Model Rule Version 16.0 — April 2023 update**

Due to the size/volume of these documents, we wish to direct you to the Authority's website (<https://www.ttra.net>) where they have been posted for your ease of access and reference. You may also access the documents via the link to the ARCI's website (<https://www.arci.com/model-rules-standards/>) which has also been provided on the Authority's website.

Updates to these rules will be posted to the Authority's website once they are published by the ARCI and/or gazetted by the Authority.

Please be advised accordingly.
